TWIN BROTHERS YEAST.

GOLD YEAST.

THESE two brands of Yeast have an established reputation of twenty-three years. No other Yeast can boast of one quarter such an existence. We do not glut the market with perishable goods, but endeavour to supply the Trade in quantities which will always keep our Yeast fresh in the hands of the consumer. The superiority of our manufacture has gained for us a world-wide reputation, and enabled us to carry off the Gold Medal at the World's Fair in Vienna, Europe, in 1872, against fifteen competitors from all parts of the globe. Beware of all unscrupulous imitations, which have only a mushroom existence. Ask your grocer for "Twin Brothers" Yeast and "Gold Yeast," when you can always depend upon having wholesome white bread made from *clean white Yeast.*

TO THE PUBLIC.

We are enabled, through the liberal support of our advertisers, to present you with this book, which will be found useful to you during your stay in the city, and of *permanent value* to you in your business. The Interest and Exchange Tables alone, which are contained herein, cannot, we believe, be purchased under $2.00, and in fact the Interest Book at that price contains only 6 and 7 per cent. We give 7 and 8 per cent ; the latter being undoubtedly the most needed rate in Canada.

If you have no use for this Book yourself, kindly give it to some one who has.

TO OUR PATRONS.

We have endeavoured to make this publication all we claimed it would be, and superior rather than inferior. We believe that it cannot fail to meet with your approval, and we trust the manner in which we have fulfilled our promise in this, our first transaction with you, will ensure for us your confidence in any future advertising schemes we may bring before you.

The A B C Interest Tables

Are the most compact and simple ever introduced. The Interest can be found on any sum from $1.00 to $10,000.00, and on any larger amounts by adding the necessary ciphers.

THE APPLICATION.

In the Interest column take the figures under the same letters as are over the Principal. The figures in the Interest column are **Cents.**

EXAMPLE.

Find the Interest on $1,976.00 for 58 days @ 7%.

PRINCIPAL.			INTEREST.		
$1,000.00	under	A B C D	Under	A B C D	$11.12
900.00	"	A B C	"	A B C	10.01
70.00	"	A B	"	A B	.78
6.00	"	A	"	A	.06
$1,976.00					$21.97

The only objection, so far as we know, that can be raised against our method is that in ordinary Tables the Principal would have been obtained by taking only 3 amounts—viz: $1,000.00, $900.00 and $76.00; but this, we think, is far more than counterbalanced by the time lost in tracing the amounts over a **whole page.**

ADVANTAGES OF THE A B C SYSTEM.

I. Any sum can be found within the compass of **9 lines**, instead of **118** lines in "Sansum's" and other Tables.

II. Each page of our Tables comprises **21 days**, and the whole Table covers **18 pages.** In other Tables a page contains **only 5 days** and the whole Table occupies **73 pages.** Ours being, therefore, **four times more readily referred to.**

III. In our Tables the number of days, the Principal and the Interest are immediately under the eye at the same time. In "Sansum's" and other Tables it is necessary constantly to refer to the number of days at the head of the page and follow the column to the place opposite the Principal required. **This means loss of time and the risk of inaccuracy.**

On the next page the Table is set up in the usual way. A comparison of the two methods will, we believe, confirm our claims as to the merits of the new.

Interest at 7 per cent—from 51 to 54 days. From $1 to $10,000.

GENERAL LAW MAXIMS.

1. Common Law is common sense which is the best guide in all ordinary cases.

2. Never sign a promissory note until after you have received the value for it.

3. Never go to law for the sake of satisfaction! You'll never get it if you do.

4. Imaginary wrongs are better unredressed.

5. A Lawyer's highest aim should be to keep his clients out of litigation.

6. Consult your Lawyer at the beginning of a trouble, not after you have made bad worse.

7. No man, however skilful, should attempt to draw his own will.

8. Every person having property should always have a will duly executed and deposited in a place of safety. It will not make him die one day the sooner.

9. He who is his own lawyer has a fool for his client.

BUSINESS LAWS THAT EVERY BUSINESS MAN SHOULD KNOW.

(COMPILED BY D. E. THOMSON, BARRISTER-AT-LAW, TORONTO.)

PROMISSORY NOTES.

A promissory note is an absolute promise in writing to pay a specified sum at a time therein stated, or on demand, to a person named or designated, or to his order, or to the bearer.

All promissory notes for twenty-five dollars or over require to be stamped.

L. W. Smith, Merchant Tailor, 92 King St. E., Toronto.

HILL & HOUGHTON,

Stamps should be put on by the maker of a note, and should be cancelled by him when the note is signed, with the date of the note and with his name or initials.

Notes not stamped or not regularly stamped may be double stamped by any future holder, provided this is done when the holder first has notice of the lack of stamps or of the irregularity, as the case may be.

Double stamping should be done by the holder, and each stamp should, as soon as attached, be cancelled with the date on which it is attached, and the name or initials of the holder.

A note payable to a person without adding bearer or order is not transferable.

A note payable to bearer may be transferred by delivery without endorsement, but if the party transferring endorses, he makes himself liable on the note.

A note payable to order cannot be transferred without the endorsement of the person to whose order it is made payable.

A person wishing to endorse a note without making himself liable on it should write underneath his signature, the words "without recourse."

Presentment of an ordinary note at the place where it is made payable is not necessary to hold the maker, but both presentment and notice of dishonour are necessary to hold an endorser.

Presentment should be made on the last of the three days of grace, or if that is a legal holiday, then on the day fol-

lowing. Notice of dishonour may be posted on the day of presentment or the day following.

The legal holidays in the Province of Ontario are, Sundays, New Year's Day, Good Friday, Christmas Day, the Birthday of the Sovereign, and special days appointed by proclamation for public holidays, Fasting or Thanksgiving.

An infant under the age of twenty-one years cannot make himself liable by making or endorsing a promissory note.

A married woman cannot make herself liable by a promissory note, unless she has separate estate and contracts with reference to it.

A note made payable with interest bears interest at the rate specified in the note from its date until payment.

A note not made payable with interest bears interest from maturity at 6%.

A Bill of Exchange is an unconditional written order from one person to another directing the payment of a certain sum of money therein named.

A Bill of Exchange that has been accepted is called an acceptance, and resembles a promissory note. The acceptor occupying the same position as the maker of a note.

The signature of the acceptor must be written on the Bill of Exchange itself.

A Cheque is an order on a Bank for the payment of a certain sum.

36 Church Street, Toronto.

Cooper's New Scarfs and Ties, 109 Yonge St., Toronto.

Bills of Exchange require stamps in the same manner as notes—cheques do not.

LEASES.

Leases for periods of more than three years should be in writing, under seal and signed by the parties.

The transfer of all leases should be in writing.

A tenancy from year to year can be determined only by a six months' notice ending with the current year.

A monthly tenancy can be ended by a month's notice.

In the absence of an agreement to the contrary, taxes fall upon the landlord, and if the tenant is compelled to pay them he may deduct the amount from the next payment of rent.

If a tenant makes an absolute covenant to repair, he would be bound to repair even if premises were burned down, and would have to pay rent for time that premises were untenantable by reason of the fire as well.

Such a covenant should except "reasonable wear and tear, and accidents by fire and tempest," and there should be an express provision that no rent should be charged for time that premises are untenantable by reason of injury from fire or tempest.

L. W. Smith, Merchant Tailor, 92 King St. E., Toronto.

J. L. BRONDSON & CO., 84 Yonge Street, Toronto.

Distress for rent can only be made by daylight, not sooner than the day after the rent matures, and only for the amount actually due (which the warrant to the bailiff should specify) together with the charges of the distress. Goods cannot be sold until after the expiration of five days after seizure.

Distress can only be made on the premises in respect of which the rent is due, except in case of goods being fraudulently removed to avoid distress, in which case they may be followed within thirty days.

An inventory of the goods seized should be made out and a copy left with the tenant, or if absent, for him at the house with some grown person, or if there is no house on the premises, or if no person is there with whom it can be left, it must be stuck up in some prominent place on the premises.

Before sale goods must be appraised by two sworn appraisers, and duly advertised.

A clause in a lease providing that in the event of the insolvency of the tenant a certain amount of future rent shall become due is void as against the tenant's creditors, in case of insolvency.

In case of the insolvency of the tenant, the landlord is entitled to six months' arrears of rent as a privileged claim and to rank as an ordinary creditor for any further arrears that may be unpaid.

It is believed that a landlord has no right to distrain after an Assignee in insolvency has taken possession—though the decisions of the Courts on this point are conflicting.

Importers of Window Glass, Oil Paints, Varnishes, &c.

WILLS.

All wills must be in writing, signed by the testator in the presence of two witnesses, who must also sign the will in the presence of the testator.

A person to whom a demise or bequest is made may be a witness to the will, but by so doing forfeits all benefit under it

A person under the age of twenty-one cannot make a valid will.

A married woman having separate estate may make a will, disposing of it in whatever manner she chooses.

A lunatic is incompetent to make a will.

There is no difference between the formalities necessary in a will passing real property and personal property.

Wills are of no effect until after the death of the testator.

Executors have no right to use funds of their testator's estate for their own purposes, even temporarily, and they should keep a strict account of all their dealings.

A Will is revoked by the making of a subsequent one, by marriage, or by the Testator tearing up or destroying the Will with the intention to revoke.

A Codicil is a Testamentary disposition, not revoking a former Will, but altering or varying some of its provisions.

A Codicil requires to be executed with the same formalities as a Will.

PARTNERSHIP.

A Partnership is a combination by two or more persons of their property, labour or skill, for the transaction of business for their common profit.

A *dormant* partner is one who takes no part in the control or conduct of the business, and a *secret* partner, one who is not avowed or known as such though participating in the profits.

All persons competent to transact business on their own account, may enter into Partnership to carry on such business, but no others.

To constitute a Partnership it is not necessary that there should be a written agreement, a verbal one is quite as binding. To prevent misunderstandings, however, it is always advisable to have the agreement in writing.

Persons who are not partners as between themselves, may by their acts make themselves liable as such to third parties; thus a person leading another to deal with a firm on the representation, express or implied, that he is a member of that firm makes himself liable as such whether he is or not.

Participation in the profits is the principal test of Membership in a mercantile firm.

One partner has power to bind the firm by any act which comes within the scope of the Partnership business, even though he be by the Partnership agreement prohibited from doing such act, unless the person with whom he deals has notice of such prohibition.

Unless some specified time for the continuation of the Partnership is agreed upon, it may be dissolved at the pleasure of either partner.

Where a certain time has been agreed upon the partnership may be dissolved by effluxion of time, death, bankruptcy or insanity of one of the partners, or by the decree of a Court of Equity.

A retiring partner cannot relieve himself from past debts of the firm without the consent of the creditors.

A retiring partner wishing to escape liability for future debts of the firm, should give notice of the dissolution to all persons having dealings with the firm, and a general notice to the public.

GUARANTEES.

A person promising to pay the debt of another cannot be made liable on such promise unless it is in writing.

But a person verbally ordering goods to be furnished to another is liable if the credit is given to himself.

A guaranty to pay for one hundred dollars' worth of goods supplied to another applies only to the first hundred dollars' worth supplied, unless it is expressed to be a continuing guaranty.

A contract of guaranty is construed strictly, and unless its terms are strictly complied with the guarantor is not liable.

If the liability of the debtor is materially varied as to time of payment or otherwise, by the act of the party guaranteed without the consent of the surety, the obligation of the latter is discharged.

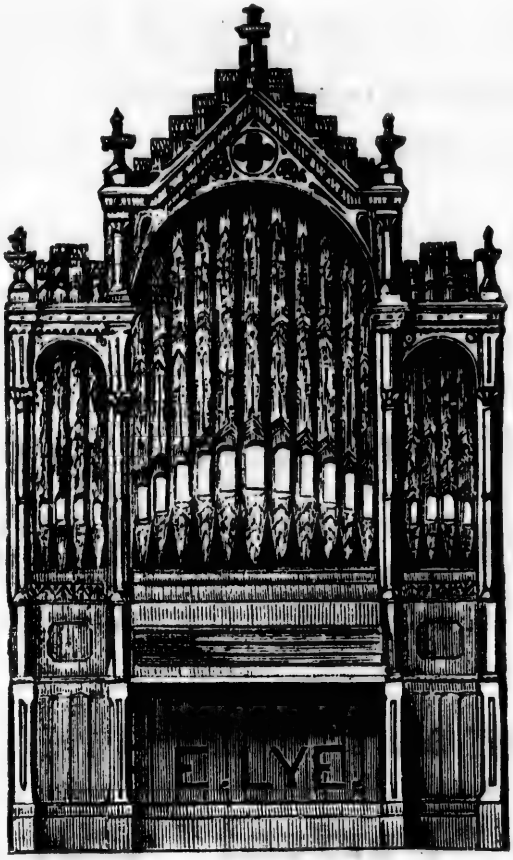
Public Accountant, Toronto



Extract from *Globe*, May, 7, 1877 :—"Fully realising the importance of having proper aid in the Musical Service of the C. P. Church, the managers have had a splendid instrument from the Manufactory of EDWARD LYE, of this city, placed in the building. The builder has spared no pains to make it a credit to himself and the city as well. In this he has succeeded, and the Organ of the C. P. Church will take a place among the best in our city churches."

EDGAR WETTON'S

Celebrated English Magnetic Belts, Chest Protectors, Spine Bands, Knee Caps, Soles, etc., etc.

FOR THE PERMANENT CURE OR RELIEF OF

Asthma, Bronchitis, Diptheria, Incipient Consumption, and all Diseases of the CHEST AND THROAT, Spinal Disease or Weakness; Neuralgia and Nervous Affections of every kind; Ague, Paralysis; the various forms of Rheumatism, including Lumbago, Sciatica, &c.; Indigestion, Liver Complaints, Constipation, Internal Weakness, General Debility and any Disease or Weakness resulting from an insufficiency of nerve force.

These appliaces require no preparation, cannot get out of order—are not worn in contact with the skin, and are as comfortable and convenient as any ordinary garment—while their healing and strengthening influence permeates the whole system.

Though they have been in use but a very short time in America, they are already very largely in demand throughout the Dominion and in the United States, while in Great Britain, where they have been more than six years in use, the sales during the past year were more than FOUR TIMES as great as in any year previous. At our Cheltenham Establishment alone, more than ONE THOUSAND of these appliances are being sent out each week.

Illustrated Pamphlets, containing a large number of English and Canadian testimonials, from persons well known in both countries. Price Lists, and general information, free on application. Enquiries by letter also receive careful and prompt attention, and the appliances are sent post free or by express to any address on receipt of price. ADDRESS—

Counterfeits of the Bills of Canadian Banks.

—o—

Bank of Commerce.

$5 Bill—counterfeit just issued. The vignette of Her Majesty is very poor, and the ring on her right hand, in the genuine note, has been omitted. In the words "Canada Bank-Note Printing Tint," under the vignette, the word "note" has been mis-spelled *noto*. The signature on the left hand, which should be a pen and ink signature, is evidently printed, but in an ink of a different shade from the body of the note.

Ontario Bank.

$10 issue, bearing date November 1st, 1870. Is rather smaller than the genuine—paper not so strong—numbering letters smaller, and "British American Bank-Note Co." is omitted from the back. It is a remarkably good forgery, and great care should be taken with notes of this denomination to see that they have not the above defects.

Quebec Bank.

$1 Bills of the old issue of the Toronto branch have been forged. As $1 and $2 Bills are now issued only by the Dominion Treasury, bills of these values issued by Banks should be refused, to ensure safety.

Union Bank of P. E. Island.

$2 Bill has been photographed, but is a very poor forgery. The TWO is quite a daub, and shows through the paper.

Consolidated Bank.

Take no $10 Bills of this Bank. The theft of a parcel of unsigned notes of this denomination, before any had been issued, compelled the Bank to refrain from putting any $10 bills into circulation.

Any person knowing anyone to be possessed of any of these forms should give immediate information to the police.
